Chapter 1	
STUDIES ON INTERCULTURAL CONTACTS IN THE BRONZE AGE – TRADITIONS AND PERSPECTIVES.....	9
1.1 Main trends in the research on intercultural contacts in the Western Carpathian area during the Bronze Age.....	9
1.2 Interpreting the material culture.....	15
1.3 Intercultural contacts in the European Bronze Age – research perspectives.....	20
World system, prestige goods and elites.....	20
Forms of goods exchange.....	27
Inter-regional marriage exchange – a <i>fremde Frauen</i> concept.....	29
Migrations of people and ideas.....	31
Digression – climatic crisis as a cause of mass migrations in the 12 <sup>th</sup> century BC.....	35
1.4 The method assumed and initial presumptions.....	39
Chapter 2	
CHRONOLOGICAL FRAMEWORK.....	45
2.1 Relative chronology schemes in the North Alpine zone and in the Nordic culture.....	47
2.2 Relative chronology of the Late Bronze Age in the eastern part of the Carpathian Basin.....	49
Hoards of the Forró type.....	49
Hoards of the Rimavská Sobota series (Rimaszombat).....	52
Late Bronze I phase (LB I) on the territories east of the Tisza River.....	54
Late Bronze II phase (LB II).....	54
Late Bronze III phase (LB III).....	55
Late Bronze IV phase (LB IV).....	57
The end of the Late Bronze Age east of the Tisza River.....	58
2.3 Absolute chronology of the central European Late Bronze Age.....	59

## Chapter 3

**ARCHEOLOGICAL CULTURES AND POTTERY STYLES OF THE  
 CARPATHIAN BASIN IN THE SECOND HALF OF THE 2<sup>ND</sup>  
 AND BEGINNING OF THE 1<sup>ST</sup> MILLENNIA BC.....65**

<b>3.1 A cultural and historical review .....</b>	<b>65</b>
The northwestern part of the Carpathian Basin – the Middle Danubian Urnfield circle in the Late Bronze Age .....	65
Southern Transdanubia and the territories between the Drava and Sava rivers in the older phases of the Late Bronze Age .....	73
Beginning of the Late Bronze Age (BrB2–BrD) in the area between the Danube and Tisza rivers .....	76
Beginning of the Late Bronze Age (BrB2–BrD) on the middle and upper Tisza River and in northern Transylvania .....	80
Older phases of the Late Bronze Age in Transylvania .....	86
Culture group circle with fluted pottery in the eastern part of the Carpathian Basin – terminological problems .....	89
Urn cemeteries in the southern part of the Carpathian Basin – the Belegiš culture ..	91
Groups with fluted pottery in the territory of the Wallachian Plain and in Moldavia .....	95
The middle Tisza basin at the beginning of the development of fluted pottery groups .....	100
The Gáva culture .....	102
Culture groups with fluted pottery in the northern part of the Carpathian Basin ..	110
The period of development of culture groups with fluted pottery south of the Sava and Danube rivers .....	112
The end of the Late Bronze Age in the southern part of the Carpathian Basin and the lower Danube .....	116
<b>3.2. Pottery manufacturing patterns in the Carpathian Basin at the turn          of the 2<sup>nd</sup> and 1<sup>st</sup> millennia BC .....</b>	<b>119</b>
Tumulus-post-Otomani style .....	120
The late Piliny-Kyjaticce style .....	123
Velaticce-Čaka style .....	124
Belegiš II style .....	126
Gáva I style .....	134
Gáva II style .....	136
Stylistic traditions in pottery manufacture in the view of a cluster analysis .....	138

Chapter 4	
THE LATE BRONZE AGE IN THE WESTERN CARPATHIANS – A PRESENTATION OF ARCHEOLOGICAL RECORDS .....	145
4.1 The characterization of Late Bronze Age findings in the southern approaches to the Western Carpathians .....	145
The Ondava Upland and Šariš .....	146
The Spiš region .....	151
The oldest phase of the Lusatian culture settlement in the upper Váh valley .....	156
The Zvolen group of Lusatian culture and its links with groups from the Carpathian Basin .....	160
The so-called proto-Lusatian horizon in Moravia and its connections with the Carpathian Basin .....	162
Middle Danubian Urnfield finds in Lusatian culture assemblages of Moravia and western Slovakia .....	165
4.2 Late Bronze Age assemblages in the northern part of the eastern Beskid Mountains .....	171
Transcarpathian influences on the Trzciniec culture .....	171
Assemblages with Transcarpathian pottery from younger segments of the Late Bronze Age – the state of research and sources .....	181
Periodization of Late Bronze Age inventories from the eastern Polish Carpathians .....	188
4.3 Inventories with Transcarpathian pottery in the Dunajec River valley and in neighboring territories .....	201
An outline of studies on the Late Bronze Age settlement in the Dunajec River valley .....	201
Comments on the interpretation of archeological records .....	224
The periodization of Bronze Age and Early Iron Age finds from the Dunajec River valley .....	230

Chapter 5	
<b>"TRANSCARPATHIAN" ARTIFACTS IN THE CONTEXT OF LUSATIAN CULTURE ASSEMBLAGES FROM THE ODER AND VISTULA RIVER BASINS</b>	<b>251</b>
5.1 The inflow of bronze objects from the Danube basin into regions north of the Carpathians	251
Characterization of sources	251
Determining phases for the inflow of bronze objects north of the Carpathians and directions of ensuing relations	256
5.2 The influence of Carpathian Basin cultural traditions in the territory of the Lusatian culture in the San basin	265
The state of research on the origin of the Tarnobrzeg group and the role of Transcarpathian influences in this process	265
Assemblages testifying to „southern“ and „eastern“ influences in the initial phase of the Tarnobrzeg group	272
The origin of the urn cremation burial ritual in the early phase of the Tarnobrzeg group	279
Pottery with Transcarpathian traits from assemblages of the early phase of the Tarnobrzeg group	283
Vessels with Transcarpathian traits in the Lusatian culture assemblages in the eastern Lublin region	297
5.3 "Foreign" fluted pottery from Lusatian culture sites in western Lesser Poland	301
The state of research on Transcarpathian influences on the Lusatian culture of western Lesser Poland	301
The cultural situation in the Late Bronze Age in western Lesser Poland and the local context of the "foreign" pottery group	304
The characterization of the "foreign" pottery group of western Lesser Poland's loess zone	313
Vessels from Zajezerze and Zschornowitz – the presence of Transcarpathian cultural elements in the southern Baltic zone	320
The attempt to interpret the horizon of Transcarpathian influences in the Lusatian culture of western Lesser Poland's loess zone and of the Baltic zone	324
5.4 Assemblages with Middle Danubian Urnfield pottery in sites of the Silesia group of the Lusatian culture	328
Influences from the northwestern Carpathian Basin and the Silesia group area in the early phase of the Lusatian culture	329

Pottery of the Middle Danubian Urnfield complex in Silesia group assemblages from the Younger Bronze Age .....	333
Attempted interpretation of assemblages with the Middle Danubian Urnfield pottery in sites of the Lusatian culture's Silesian group .....	340
<b>Chapter 6</b>	
<b>THE FUNCTIONING AND DEVELOPMENT OF A SUPRA-REGIONAL COMMUNICATION NETWORK IN THE WESTERN CARPATHIAN REGION IN THE LATE BRONZE AGE .....</b>	<b>347</b>
6.1 Settlement network as a reflection of social organization structures of Late Bronze Age populations in the Carpathian zone .....	348
6.2 The social structure of the Late Bronze Age populations in the Carpathian area and prestige goods identification in the archeological material in the example of Tarnobrzeg group cemeteries in the San River basin .....	355
6.3 The onset of supra-regional connections in the Western Carpathian zone – an attempt to adapt the "core and periphery" model .....	367
6.4 Decline of the "core-periphery" type of relations in the initial phases of the Late Bronze Age .....	375
6.5 The period of fluted pottery culture development in the Danube River basin and its impact on Western Carpathian and neighboring societies .....	385
Initial phase of fluted pottery culture development .....	385
Digression: The diffusion of fluted pottery trends and the "cultural package" model .....	388
Development of the connection system in the Western Carpathian region during the period when the last bronze metallurgy center on the Tisza River was functioning .....	396
6.6 Supra-regional links in the Western Carpathians and adjoining regions at the end of the Late Bronze Age .....	400
6.7 Final conclusions .....	402
Appendices .....	404
References .....	420
Streszczenie. Kontakty międzykulturowe w strefie Karpat Zachodnich na przełomie II i I tysiąclecia p.n.e. ....	535
